What you get: Full text

Access: From the Library home page (<http://www.lib.adfa.edu.au>)
➤ Click on the **CrossSearch** button, enter your user ID and password and click on the letter **J**.

From within **CrossSearch**
➤ Select **Find Database**
➤ Type in **JSTOR**

Search Hints: Use quotation marks to search for a phrase
“punctuated equilibrium”

Use ti: to search for an article title, and au: to search for an author

ti:”parabolic equations”
au:”john nash”

Use AND, OR, and NOT to combine terms

Use phrase searching to include stopwords (such as “a, the, an”) in the phrase

Single/multiple wildcards (?) are available:

te?ts will find the words, **tents, tests, texts**, and any other five-lettered words that start with **te-** and end with **-ts**.

bird??? will find **bird, birding, birdman, birds**, and other words *up to* seven letters long that start with **bird-**.

Add the **&** to the end of terms to also search for plurals

bird& for bird and birds
bus& for bus and busses
sky& for sky and skies

Proximity searching is available
